

*The essential compliment to a delicious dish is a delightful glass of wine.*

*The wine should enhance the flavors of the food, inspire great conversation, and help us enjoy the moment, really live in the moment...tingling our taste buds while tickling our hearts!*

*After many visits to Italy, especially to the country towns where one breathes in life like the irresistible aroma of fresh baked bread wafting out of the town's bakery in the morning, I've decided that we Americans move too fast and miss too much.*

*"Ambition is a disease," says my friend Federico from Montepulciano, as we sip our Vin Santo and dip our biscotti, "and I don't want to catch it!"*

*So please relax and enjoy these wines, all of which have been personally tasted and selected; each of which is offered with a wish that you might taste the richness of life's moments in every glass...*

*Salute!*

*–Betsy del Fierro*

*Beginning with a glass of bubbly  
Prosecco or Champagne is a very  
civilized way to start your meal!*

*Besides being high in vitamins A, E, and  
D, these sparkling wines will wash off the  
dust of the street, melt the stress of the  
day, and prepare your palate and spirit  
for a time to renew, refresh, and restore.*

*And anyway, Prosecco and Champagne  
go wonderfully well with absolutely  
everything from prawns to pancetta...  
from cherry tomatoes to chocolate cake!*
