

iT'S ITALIA

YOUR SAFETY COMES FIRST !
A Word About How We Are Keeping You Safe...

Every day, as we all find ways to show the best of the human spirit, It's Italia is here to support your safety!
With heightened response, we are following all the mandated health guidelines from the CDC and San Mateo County Health and Environmental Safety regulations.

When Dining in:
What You Can Expect From Us:

Healthy Team Members

We conduct temperature checks and health screenings upon arrival of all team members

Wearing Masks

Every team member is properly wearing a mask to ensure safety

Ultra Clean Environment

All frequently touched surfaces are regularly sanitized in accordance with the CDC regulations

Hand Washing and Wearing of Gloves

We are wearing gloves when serving, hand washing frequently with soap and water, and using hand sanitizer

Social Distancing

We are maintaining a distance of 6 feet between tables

What We Ask Of You:

Wear A Mask

Face covering must be properly worn covering nose and mouth at all times when not seated at your table

Social Distancing

Practice the 6 foot apart social distancing rule at all times

Reserve A Table

We ask you to make a reservation to ensure that we are prepared for your safety upon arrival

Dining Limit

We may need to ask for your table after 90 minutes to ensure a safer environment

When Picking Up, We Ask That You:

Wear a mask to the pick up table, keep social distance, bring your own pen to sign the guest check, drop your signed check in a box on the pick up table, and pick up your order from our ultra-sanitized pick up table at the front door.
